Dear Parishioners & Friends ~

During this extraordinarily challenging time in our life as a nation and a community of faith, we at St. Lawrence want you to have as many opportunities to share in the celebration of the Mass (even if not in person), and to receive as much spiritual nourishment and support as possible. Please make ample use of the following online resources, among many others:

- For our parish's YouTube channel, entitled "St Lawrence of Sayville NY":

We continue to record the Mass for each weekend, since many of our parishioners are not yet ready or able to return to church in person.
- For the Diocese of Rockville Centre's website: <http://www.drvc.org>
- For FORMED, the excellent online resource of Catholic media, films, Scripture study, seasonal programs, and much more to which **all our parishioners** enjoy a free subscription: <http://www.FORMED.org>
- For the daily Scripture readings, the website for the United States Conference of Catholic Bishops: www.usccb.org
