

Dear Parishioners & Friends,

During this extraordinarily challenging time in our life as a faith community, we at St. Lawrence want you to have as many opportunities to share in the celebration of the Mass (even if not in person), and to receive as much spiritual nourishment and support as possible. Please make ample use of the following online resources, among others:

- For the Diocese of Rockville Centre's website: <http://www.drvc.org>
- For FORMED, the excellent online resource of Catholic media, films, Scripture study, Lenten programs, and much more to which **all our parishioners** enjoy a free subscription: <http://www.FORMED.org>
- For a beautiful daily online Mass, weekdays and Sundays, with Bishop Robert Barron: <http://www.wordonfire.org>
- For the daily Scripture readings, the website for the United States Conference of Catholic Bishops: www.usccb.org
