

SUPPORTING OUR PARISH IN A TIME OF NEED

One of the most devastating aspects of the COVID-19 pandemic is that it has left untold numbers of hardworking people in a place of economic insecurity. The shuttering of so many businesses, and furloughing or outright firing of so many employees has created record unemployment, and left huge numbers of people without a sense of financial stability.

Not surprisingly, every parish and Church institution in our Diocese has also been impacted. For the 3 ½ months in the Spring during which Masses were canceled to help mitigate the spread of the virus, our parish had no regular source of income. Even now, with public Mass once again being celebrated in church, the seating must be limited to provide for adequate distancing, and therefore our attendance has been modest.

All that being said, **the St. Lawrence parish community has been *amazing in its steady, uninterrupted support***, even when giving means sacrifice on the part of our parishioners. The 2019-2020 Financial Report gives ample evidence that our community is determined not to allow the challenges of the pandemic to undercut the financial wellbeing of our spiritual home. **As we continue to navigate such an uncertain time, I ask that each household do what they can to help sustain St. Lawrence.** For those who are not yet attending Mass in person, there are several options for practicing good stewardship on a weekly or monthly basis:

1. Those who regularly use the envelope system are asked to please **mail** your envelopes to the rectory, or drop them off at the office.
2. Those who normally give cash in the collection basket are asked to write a check for the time being.
3. Those of us who do so much of their banking, bill-paying, etc. online are asked to consider using **Faith Direct**, the simple electronic means of parish support that is designed for situations *just like this!* To register, all you need to do is go to www.faithdirect.net and use our parish code: NY234. Or simply call 1-866-507-8757. Signing up literally takes 15 minutes, and can make a huge difference in our financial wellbeing. (See the next page for more info.)

Please give prayerful consideration to what you can give in a spirit of **trusting and generous stewardship**, and offer what's manageable for you at this time. Consistency is the key! I'm so deeply grateful for your ongoing support, in good times and in bad.
